

**Clear Strength™ Storm Panels  
Twelve Year Impact Warranty  
Ten Year Warranty Against Yellowing & Loss of Light Transmission**

**Limited Warranty**

Clear Strength USA, LLC warrants that Clear Strength™ Polycarbonate Panels will provide impact resistance from storms for a period of twelve (12) years from date of sale. If Clear Strength Panels breaks within ten (10) years from the date of sale due to manufacturing defect and subject to the conditions below, the purchaser will receive free replacement Clear Strength Panels, provided the failed panel, original sales receipt and this warranty are returned to Clear Strength USA, LLC or the original dealer from which the panel was purchased. ClearStrength USA retains the option to refund the original panel purchase price.

If excessive yellowing or loss of light transmission as defined herein occurs during a ten (10) year period from the date of sale due to manufacturing defect and subject to the conditions below, Clear Strength USA, LLC will replace the panel according to the following schedule: Years 1-7 full replacement; Years 8-10 pro-rated schedule to include replacement of the material at a cost to the purchaser of 1/120<sup>th</sup> of the original cost for each month from the date of sale. The failed sheet, original sales receipt and this warranty must be returned to Clear Strength USA, LLC or the original dealer. Clear Strength USA, LLC retains the option to refund the pro-rated cost of the original sheet.

**CONDITIONS**

**Breakage** - This warranty against breakage applies only to sheets fabricated, installed and maintained according to Clear Strength USA, LLC recommendations and does not provide coverage for reinstallation, fabrication expenses or any other direct or indirect losses which may result from the sheet failure.

**Yellowing and Light Transmission** - The warranty against yellowing and light transmission applies only to Clear Strength Panels. The Yellowness Index of Clear Strength Panels, cleaned according to the recommendations of Clear Strength USA, LLC, shall be less than ten (10) after a ten (10) year period as defined by ASTM D 1925. The light transmission value of Clear Strength Panels, cleaned according to Clear Strength USA, LLC recommendations, shall not decrease by more than 5% during a five (5) year period from the date of sale, and shall not decrease by more than 7% during a Ten (10) year period from the date of sale. Light transmission shall be evaluated according to ASTM D1003. This warranty is limited to excessive yellowing and loss of light transmission due to the degradation of the Clear Strength Panels. It does not cover yellowing or light transmission due to dirt, atmospheric deposits or surface abrasion or scratching. Outdoor materials are subject to irreversible deposits of atmospheric elements and can be expected to show signs of hazing eventually. Regular, proper cleaning will significantly reduce, but not eliminate this process. This warranty does not cover abrasion or scratching. The panel is UV protected on one side only and is marked accordingly. The Clear Strength Panel must be installed with the UV protected side facing out (sun exposure side) for the UV protection to be in effect.

All instances of claims, regardless of basis such as warranty, damage, tort or any other legal theory will be settled for an amount no greater than replacement Clear Strength Panels or the original purchase price paid for the Clear Strength Panel as decided by Clear Strength USA, LLC.
